Experience

99Hz Pvt Ltd
Web Design & Development Intern   2025-Present

- 10+ websites have been designed and developed using WordPress.

  Successfully managed the complete website development process — from domain acquisition and hosting setup to final deployment. Gained strong hands-on experience with the Elementor plugin for web design, as well as WooCommerce and form plugins for e-commerce functionality and user interaction. Acquired solid knowledge in integrating secure payment gateways and ensuring smooth site functionality. Additionally, enhanced websites with custom styling using CSS, implemented animations with JavaScript, and integrated them seamlessly with HTML, gaining a strong foundation in coding practices and front-end development.

Freelance Experience   2025-Present

- Working as a Freelance Web Developer on Fiverr.
- Successfully modified and customized a full coding-based website (HTML, CSS, JavaScript).
- Experienced in improving design, adding animations, and enhancing functionality to meet client requirements.
